Principal's Message

To the Class of 2016: These are the last few weeks you will spend at Repetto before heading off to high school. I expect all of you to continue to do well and make good choices so that you can end your journey at Repetto on a positive note. Some of you have been here since kindergarten and have considered Repetto your second home for the last nine years. I would like to wish all of you a fond farewell and the best of luck as you transition to high school. I know you will do great things during the next four years and beyond, and will continue to make your Repetto School Family proud.

I would also like to wish our current kindergarten through seventh grade students a successful end of the school year and an exciting but also restful summer vacation. Don't forget to spend some time reading and learning. On behalf of all Repetto staff, we look forward to seeing everyone back to school on Thursday, August 11th, for the first day of the 2016/2017 school year.

Volunteer Social

All of our valuable volunteers are invited to join us for a social on **Thursday, May 19th at 1pm**, in the school cafeteria. We want to take this opportunity to recognize and show our appreciation to these dedicated individuals for their continued support for our school.

Congratulations to the (58) sixth graders, (36) seventh graders and (37) eighth graders who achieved a G.P.A. of 3.6 or higher during trimester one and/or two. We are proud of you and keep up the good work!

New Repetto Garden

A special thank you to Mr. David Anantasin, one of our Repetto parents, for organizing and with the help of high school student volunteers, building a second raised garden planter in the lower playground for our students. A Rotary Club grant provided funding for the building materials and supplies. Repetto students can look forward to experiencing plant life cycles firsthand. We appreciate and applaud the hard work and generosity of our parent and community partners.
